Subject: Re: CASQA Dollars & Sense Track

Hi folks. I just spoke to Chad, who was delayed in arriving due to a family matter. He told me that our little group can meet at the veranda at the municipal auditorium (upstairs, we think outside) before dinner to talk about SW funding/finance needs (and what we should do next to build local capacity to deal with those needs). I will be there around 6- pls stop by for a pre-dinner drink with us. Thanks

Subject: CASQA Dollars & Sense Track

Dollars & Sense Track Team-

Hello! As the track lead, I'm excited to have you involved and would like to strengthen our network at the CASQA conference. As a whole, we are giving 9 presentations in 3 sessions:

- Financial Planning Basics: Getting Organized
- Assembling a Funding Portfolio
- Alternative Procurement & Delivery

We are presenting on Tuesday, when most attendees will be present- a nice contrast from recent years when the finance track has been late in the conference. Since there are about 15 of us, I'd suggest we connect for a few minutes at the Monday evening event. This time will give us a chance to know who comes before and after each of us, and share a bit of content so we are well coordinated. Lets meet at 6:30pm on the Veranda then head to the dinner service at 7pm. Please join us for a drink!

Cheers-
Chad
